**Re: Peace in Ukraine / UN resolution peace negotiations Ukraine**

Amsterdam area, 17 January 2023

Your Excellency Marcelo Ebrard Casaubon,

We are shocked by the enormous numbers of people dying and wounded in the war in Ukraine. We pray that life will be cherished. That we will see all the children in Ukraine and the rest of the world be able to play soon.

Monday 21 November 2022, Peace SOS and various peace organizations around the world sent a letter to the Mexican president, HE Lopez Obrador. We also sent the letter to the Permanent Mission of Mexico at the United Nations. The letter is in the attachment.

The letter is about the peace commission that HE Lopez Obrador initiated regarding a global truce in the war in Ukraine. It contains a proposal for a resolution to be presented at the General Assembly of the United Nations regarding peace negotiations for Ukraine and has been signed by peace organizations from all over the world, including organizations from Ukraine, Russia, the United States, and Finland.

Our contact person in Mexico, Mr Francisco Plancarte, director of Centro Mexicano de Responsabilidad Global (CEMERG), suggested that we share this information with you as well. Mr Plancarte is helping us with the follow-up of our letter to HE Lopez Obrador.

We look forward to hearing from you.

Wishing you peace and all the best,

A handwritten signature in black ink that reads "M.M. Meijer".
